

BIG SKY ASTRONOMY CLUB 2017 Meeting Schedule

Meetings will be held monthly at 7 PM on the **Friday nearest the new moon** (either before or after). This schedule allows us the opportunity to do some observing as a group following the meeting (if the weather cooperates, that is!) The meetings for 2017 will be held on:

January 27, 2017	(New Moon: Jan. 27)
February 24, 2017	(NM: Feb. 25)
March 24, 2017	(NM: Mar. 27)
April 28, 2017	(NM: Apr. 25)
May 26, 2017	(NM: May 25)
June 23, 2017**	(NM: June 23)
July 21, 2017**	(NM: July 23)
August 18, 2017**	(NM: Aug. 21)
September 22, 2017**	(NM: Sept. 20)
October 20, 2017.....	(NM: Oct. 19)
November 17, 2017.....	(NM: Nov. 18)
December 15, 2017	(NM: Dec. 17)

** The June, July, August and perhaps the September meetings may be postponed to a week **later** than they would ordinarily occur due to conflicts with our Lone Pine, Logan Pass and Montana Starwatch Star Parties. The actual dates for those star parties have yet to be confirmed, so this schedule may be revised.

Meetings are held at the West Valley Fire Hall at 7 PM. A public observing session will be held following each meeting, weather permitting.

DIRECTIONS:

The West Valley Fire Hall is located on Farm-To-Market Road, ¼ mile north of West Valley School. From Kalispell take 3 Mile Drive (which turns into Farm-To-Market) 6.25 miles. From the north valley, take Highway 93 south to West Reserve Drive, then west 4 miles to Farm-To-Market, then north ¼ mile. The fire station is on the west side of the road. Feel free to park anywhere except in front of the fire station's overhead doors.

The club's Meeting and Events calendar is available on our website at:
www.bigskyastroclub.org/events.html.
